

QUEENSLAND MASTERS ATHLETICS INC

SUNSMART POLICY

Queensland Masters Athletics Inc (QMA) acknowledges that skin cancer is a major health problem in Australia with a majority of the population requiring treatment for some form of skin cancer during a lifetime.

QMA recognizes that skin cancer is preventable and treatable with early detection, and in the interests of all athletes and supporters, the organization will actively promote and encourage sun protection at all competitions conducted by and for its members.

QMA will encourage athletes and officials to wear sun protective clothing and to use high value broad-spectrum water resistant sunscreen.
