Queensland Masters Athletics Association Inc.
Notes to the Financial Statements
For the year ended 31 March 2026

Note 1: Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act of Queensland. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

a) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

When an asset is acquired through a grant the cost of the asset is the amount paid less the grant received.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

b) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine where there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

c) Cash and Cash Equivalents

Cash and Cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

d) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Queensland Masters Athletics Association Inc.
Notes to the Financial Statements
For the year ended 31 March 2026

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of the receipt.

When an asset is acquired through a grant the cost of the asset is the amount paid less the grant received.

The Association is not registered for GST. Neither receipts nor payments need to be adjusted for any amounts of GST

e) Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the association, are classified as financial leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

f) Goods and Services Tax (GST)

The Association is not registered for GST. Neither receipts nor payments need to be adjusted for any amounts of GST

As no GST incurred is recoverable from the Tax Office, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and Payables in the Balance Sheet are shown inclusive of GST.

Queensland Masters Athletics Association Inc.
Statement by Members of the Committee
For the year ended 31 March 2026

The Committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the Financial Statements.

In the opinion of the Committee the Income and Expenditure statement, Detailed Balance Sheet, and Notes to the Financial Statements:

1. Present fairly the financial position of Queensland Masters Athletics Association Inc. as at 31 March 2024 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

The Committee is responsible for the reliability, accuracy and completeness of the accounting records and the disclosure of all material and relevant information.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

.....
Nick Macmillan
President

.....
Jim Quabba
Treasurer

Dated this..... 26th day of..... July..... 2026
