The good news is – it looks like we have a volunteer Uniform Co-ordinator and hope to have the on-line shop set up soon. So members will be able to order uniforms in time for the Nationals in Sydney in March 2023!

## ***Finally ...***

*I've been so busy in these two roles but not as busy as others from QMA. Well done to all who contributed to the AMA Winter Throws Championships. Thank you. Thank you Wilma and Stan for leading the way through three hectic days. This Saturday is of course our "Come and Try Day" and I ask again that all members welcome and assist the visitors who are potential new members.*

*My next task will be attending PanPacs Masters Games Athletics each day with a Promo set up. There is a good source of probable recruitment. I'm still catching up but so proud of the QMA members, and volunteers, who are doing so much more.*
